

CETACEANS
Species and Stocks of Relevance to NAMMCO

Species	Regions	Management Areas/Subregions of Direct Relevance to NAMMCO
		<small>Blue = Unit shared between NAMMCO and non-NAMMCO countries</small>
Common minke whale	Western N Atlantic (W)	West Greenland (WG)
	Central N Atlantic (C)	East Greenland coastal (EGC)
		Icelandic Coastal (CIC)
		Iceland Pelagic (CIP)
	Eastern N Atlantic (E)	Western Norwegian Sea - Jan Mayen (CM)
		Svalbard-Bear Island West (ES: ESW+ESE)
Eastern Barents Sea (EB)		
Eastern Norwegian Sea (EW) (incl. Part FO survey area¹) North Sea / West UK (EN) (incl. part FO survey area)		
Fin whale	Western NA	West Greenland (WG)
	Central NA	East Greenland coastal (EGC*)
		East Greenland - West Iceland (EGO* + WI) East Iceland & Faroes (EI+F)
Eastern NA	Norwegian and Barents Seas (N)	
Humpback whale	North Atlantic	West Greenland
		East Greenland coastal
		Iceland - Faroes (incl. CIC)
		Norwegian and Barents Seas
Sei whale	North Atlantic	West Greenland
		Iceland-Denmark Strait
		Eastern North Atlantic
Blue whale	North Atlantic	Western North Atlantic
		Eastern North Atlantic
Bowhead whale	Arctic	Baffin Bay - Davis Strait Spitsbergen
Sperm whale	North Atlantic	North Atlantic
Bottlenose whale	North Atlantic	North East Atlantic
Narwhal	Baffin Bay	Smith Sound
		Jones Sound
		Ingfield Bredning
		Melville Bay
		Eastern Baffin Island
		Eclipse Sound Admiralty Inlet Somerset Island
East Greenland	Northeast Greenland	
	Ittoqqortoormiit / Scoresby Sound/ Blossville Coast*	
	Kangerlussuaq Tasiilaq	
Barents region	Svalbard	
Beluga	Eastern High Arctic - Baffin Bay	North water to Cape York
		West Greenland from Cape York to 65°N
		West Greenland south of 65°N
		Southwest Greenland
Svalbard - Barents Sea	Svalbard	
Killer whale	North Atlantic	West Greenland
		Central and North East Atlantic (possibly 2 units: East Greenland - Iceland - Faroe Islands - Scotland & Norway)
