#### **ANNOTATIONS TO NAMMCO/26/MC/04 - DRAFT AGENDA**

##### **Agenda item 3**

The Committee will be informed about the latest updates on abundance estimates and analysis from NASS 2015.

##### **Agenda item 4**

The chair of the Scientific Committee will report from the relevant discussions in the Scientific Committee under each species, also informing on the Scientific Committees responses to ongoing or standing requests for advice from Council.

The Management Committee will review recent proposals for conservation and management measures under each species and if agreed upon propose new measures to member countries.
