

DRAFT - OBSERVATION SCHEME – OBSERVER REPORT

The form is based on the 3 different existing reports that observers have used. Eriksson, Levermann and Winsnes discussed reporting on the 17 July skype meeting and agreed to propose developing one reporting form that would combine the previous 3. It was also discussed if it would be required to develop forms for different categories of hunts.

- Harpoon gun whaling and pack ice sealing: NO minke and sealing, IS minke and fin, GL: minke, fin, humpback and bowhead
- Collective rifle and rifle/harpoon hunts: GL minke, all small whales
- Walrus hunt: GL
- Seal hunts – coastal/netting
- Drove hunts: FO pilot and dolphins
